COMPATIBLE EV-CHARGER

- Charge Amps Luna

Next Green Poleplate Charge Amps Luna is a charger mount to enable installation on a Ø 60 mm pole. Poleplate is made of steel and powder coated to provide the highest durability and quality. Poleplate enables easy mounting of a charging box to a steel tube.

Poleplate is manufactured in Sweden for the Nordic climate. It has a powder-coated design to withstand wind and weather.

The Poleplate charging box mount is a cost-effective pole mount. Poleplate Charge Amps Luna facilitates changing an engine heater station to a charging station and can be used to replace an engine heater central
